6. POLICE / KCC WARDEN MATTERS

There were no recent reported crimes on the e-watch.co website :

A written report had been received from Police beat officer, PC Harry Greenfield which was read out at the meeting and is summarised below :

- Parishes covered by PC Greenfield are Sutton Valence, Langley, Chart Sutton, Boughton Monchelsea, Linton, Loose, Coxheath, Hunton, East Farleigh and West Farleigh. Also assisting in Park Wood, Barming, Teston, South and Allington wards. Sometimes called away to assist with property searches etc
- Issues arising locally include straying animals, traffic offences and vehicle theft

Cllr Fitzgerald expressed concern at the number of parishes being covered by the beat officer. The clerk advised that she was in regular correspondence with PC Greefield in relation to Boughton Monchelsea issues and that he was able to seek support from the task force and response teams, as required.

Disappointment was expressed regarding the length of time taken for the Police to view CCTV footage of the flower planter being stolen from the village green. Police had now viewed the footage but the clerk was asked to write to the Police Commissioner to express concern. **CLERK**

A written report had been received from KCC Warden team leader, Sandra Edmonds which is summarised below :

- Consultation process is ongoing. Plan is for Maidstone and Tonbridge and Malling to have 1 Operational Team Leader and 5 Community Wardens
- Due to the reduction in wardens, work is having to be prioritised to ensure vulnerable residents are safe
- The arrival of Spring has brought an increase in doorstep callers. Advice is to always use people recommended by a friend or someone you know. Get 3 quotes if possible and if in doubt look on Trading Standards Checked <https://tschecked.kent.gov.uk> for vetted tradespeople. If residents feel threatened they should report doorstep callers to the Police via 101 or 999

7. CLIMATE CHANGE & BIODIVERSITY

It was noted that 5 members of the Parish Council had attended the recent Carbon Literacy training sessions in Boughton Monchelsea.

8. THREE YEAR STRATEGY

It was agreed that the clerk should contact the Salmon Trust again regarding potential acquisition of land for use as a playing field car park. **CLERK**

9. HIGHWAYS

Cllr Waring noted that the hedge on Norton Road was being cut.

Concern was expressed at the condition of the road surface on Plough Wents Road. The clerk advised that any highway faults should be reported via the KCC website <https://www.kent.gov.uk/roads-and-travel/report-a-problem>

Cllr Fitzgerald stated that the village gateway had been installed in a different position to that agreed at the site meeting with KCC. Cllr Forknall felt that the gateway position was fine as it was. The clerk was asked to make KCC aware of the difference in position. **CLERK**

10. VILLAGE HALL UPGRADE WORKS

The clerk updated members as follows :

- MBC grant agreement signed and returned
- Pre-app advice from MBC indicates that planning permission is not required
- UK Power Networks have confirmed they can use the existing overhead line for the new 3 phase electric supply. Quote awaited and should be around £4,000. Work will be programmed for May half term when the hall is not in use. It was agreed that the gas supply would be capped off at the same time and the existing boiler and radiators removed. It was noted that a new electric cooker would be installed at the same time, to replace the existing gas cooker
- A revised quote for the electrical work has been received and will be accepted
- Consideration will be given to installing additional solar panels on the roof, to maximise energy production. This will be a decision for the village hall committee. It was noted that the hedge bordering the farmers field could be reduced in height to maximise area of roof suitable for solar panel installation
- BT will be installing broadband to the hall by the end of the week

13. LOCAL GOVERNMENT SERVICES PAY AGREEMENT 2023

It was noted that the agreed new pay rate for SCP23 was £16.67 per hour, effective from 1st April 2023. The clerk had started work for the Parish Council on 2nd May 2023 and was therefore due a back payment of £658 to cover this £1 / hour increase in salary. It was proposed, seconded and agreed to pay the clerk a back payment of £658 (some of which would be tax and NI).

Post meeting note : Supplier has agreed to supply and fit 2 new CCTV cameras free of charge

14.2 Shop toilet

Cllr Waring stated that the cost of servicing the shop toilet is £25 + VAT per fortnight. He added that the shop is struggling financially due to a lack of footfall and noted that the electric bill is around £400 per month due to the fridges and freezers. Following discussion it was proposed, seconded and agreed that the Parish Council would give an annual grant to the shop committee of £650 to cover the cost of the servicing the toilet. **CLERK**

15. KALC CORRESPONDENCE REGARDING COMMUNITY WELLBEING

It was noted that correspondence had been received from KALC regarding resources and support available to Parish Councils who may wish to set up community wellbeing projects. It was agreed not to pursue this at the moment.

16. FOOTBALL PITCH

It was noted that Staplehurst Monarchs adult football team had contacted the Parish Council with a request to share use of the pitch with Coxheath on Sunday mornings. Concern was expressed that, due to increasingly wet weather, the pitch condition would be adversely affected by another men's team using it. It was therefore agreed that the clerk should advise Staplehurst Monarchs that the Parish Council do not wish to hire the pitch to them at the moment.

It was noted that Bearsted youth teams had indicated that they would like to use the pitch on Sunday mornings if Coxheath ever decide to give up.

It was agreed that Cllr Waring should obtain a quote for pitch drainage work, for discussion at the next meeting.
